Online EMT

Blended Learning

This class meets National Education Standards, and includes required clinical time.

Start Date: Tuesday, February 9, 2021, 6:00 pm

The class includes online lecture and bi-weekly in-house skills and practical sessions. Class is limited to 18 students. Class will be canceled with fewer than 8 preregistrations. Students will have access to state-of-the-art training manikins with mock residence training lab. Course cost of $975 includes tuition, CPR Card, NREMT fee, and EVOC course. Students must preregister by January 29, 2021. Payment must be made in full by the first day of class 2-9-2021. Students must obtain the required textbook/premier access code. Information regarding the text will be given at the time of registration. Fees are also payable to WVOEMS to obtain WV certification. Get more information at www.wvpst.org.

Location: Summit Point Training Facility

785 Training Campus Drive, Summit Point WV 25446
