

IFSAC FF I TESTING

NFPA 1001 2013 Standard for Level 1 Fire Fighter

Friday, May 17, 2019
beginning at 6:00 pm

Saturday May 18, 2019
beginning at 9:00 am

Prerequisites

- 1 Firefighter I
- 2 Hazardous Materials Awareness and Operations

NOTE: Copies of certificates validating prerequisite training are required.

Fire Fighter I IFSAC CERTIFICATION TESTING

Purpose

To provide West Virginia Firefighters with National Certification.

Objectives

To provide a uniform means for judging and ranking personnel which is fair and equitable; to serve as a guideline for acceptable levels of performance; and to be equally applicable to both paid and volunteer firefighters.

When

Written testing on Friday, May 17, 2019 at 6:00 pm

Practical Skills evaluations on Saturday, May 18 beginning at 9:00 am.

Where

Martinsburg Fire Department
Martinsburg, WV

Fee

\$25.00 per certification
(total for all 3 certifications is \$75.00)

Deadline

May 10, 2019

Successful completion of the examination earns the candidate IFSAC certification in Fire Fighter I, Hazardous Materials Awareness, and Hazardous Materials Operations

The examination is composed of written tests including Fire Fighter 1, (100 questions); Hazardous Materials Awareness (25 questions); Hazardous Materials Operations (50 questions), and practical skills demonstrations.

Those wishing to take the examination can request skills sheets to study.

Pre-registration is required.

Applications will be accepted on a 'first-come, first-served' basis and must be received by May 10, 2019. Applications are available at www.wvpst.org – go to the calendar on the date of the testing.

Testing will be cancelled if minimum number of applicants is not met.

The fee for taking the examination is \$25 per certification (total of \$75 which is non-refundable).

Should you have any questions, you may contact David Plume at WVPST Martinsburg, or your local Public Service Training Coordinator. Contact information is available at www.wvpst.org
