

West Virginia Emergency Management Division Drone - FAA Part 107 Exam Prep. and Operation

Location: 511 Dingess Street, Logan, WV 25601

Instructors: David Crabtree - Appalachian UAV, LLC.

Course Dates: July 13 - 17, 2026 - 8:00am to 5:00pm

Lunch will be provided

There will be a limit of 15 students.

Course Description: The FAA Part-107 Prep Class is designed to equip students with all the necessary knowledge and skills to successfully pass the FAA Part-107 exam, which certifies them as remote pilots for unmanned aerial systems (UAS). This comprehensive four-day course includes theoretical instruction, practice questions, review sessions, and hands-on drone training.

Course Outcomes: By the end of this class, students will have a thorough understanding of the FAA Part-107 regulations and will be well-prepared to take and pass the FAA Part-107 exam. Students will also gain practical experience with drone operations, enhancing their overall competency as remote pilots.

Students will need to register - Go to www.wvpst.org

Select Charleston, then go to calendar find class need and click on class and register.
