Instructor: COL Gina Nichols

Description: The Homeland Security Exercise & Evaluation Program (HSEEP) is an intermediate-level course designed to provide a set of guiding principles, standardized methodology, available resources and practical skill development, which will assist in developing an HSEEP consistent exercise program. This course describes a common approach to exercise program management, design and development, conduct, evaluation, and improvement planning.

Prerequisites: FEMA IS-120.C – An Introduction to Exercises

Registration: To register for this HSEEP course, please click on the [WVPST Charleston](#) website and calendar. If you're having issues with registration, or if you have any other questions or concerns, please contact the WVEMD Training & Exercise Team (emdte@wv.gov).
